**REQUEST FOR DIVERSITY AND EQUITY FUNDING**

The Affirmative Action and Equity Office (AAEO), in promoting our mission, supports UNH departments and organizations in their efforts to create a diverse, welcoming and equitable campus. One way we do that is to provide funding of campus events that support such efforts. If your department/organization is sponsoring events, including workshops and conferences, that promote diversity and equity, and you need assistance, please complete the information below and submit it to the Affirmative Action and Equity Office (Thompson Hall Room 305) for consideration.
