UNH Faculty and Staff—Leading the Way
UNH employees commit themselves every day to making UNH the best it can be. At the same time, many UNH faculty and staff contribute financially to a wide range of colleges, departments, and programs.

Why do they do it?
• They know that money for a scholarship can have a huge impact on a student.
• They like the idea of being part of nationally recognized research programs.
• They understand the impact UNH has on their community and quality of life.

Whatever the reason, and whatever the designation, faculty and staff gifts to the University speak volumes to the rest of the world about UNH as a place for philanthropic investments.

The UNH Fund
Your contribution to The UNH Fund, combined with those of thousands of fellow alumni, parents, and friends, helps UNH meet its top priorities. Gifts to The UNH Fund are the most flexible, enabling President Mark Huddleston to direct resources where and when they’re needed the most.

The UNH Fund helps:
• support student scholarships;
• recruit and retain a diverse, world-class faculty;
• pave the way for ground breaking research;
• support strategic planning.

If you’ve previously given to the President’s Fund for Excellence or any dean’s general or scholarship fund, you’ve already made a gift to The UNH Fund. The UNH Fund will continue to support these and many other critical initiatives.

Gift designations:
You can make a general gift to The UNH Fund, or you can direct your gift to any of the following areas. List designations under ‘Gift Designations’ on the front of this form.

- College of Engineering and Physical Sciences
- College of Health & Human Services
- College of Liberal Arts

- Graduate School

If you want to give to a specific designation but don’t see it listed here, please contact a member of the Annual Giving team at annual.giving@unh.edu.
