**FORM W-4**

All new employees must complete a Form W-4. Current employees only need to complete a new W-4 if they are changing federal tax status. Due to changes in The New Hire Reporting Law, P.O. Box numbers are not allowed, we **must** have physical location addresses. Please use only current year Form W-4. If you need a supply, you can contact the offices listed below:

- Payroll 2-1400
- Human Resources 2-0500
- Internal Revenue Service 1-800-829-3676

You should submit only the Form W-4. The employee should retain the work sheet and instructions. General Form W-4 questions can be directed to any of the above-mentioned offices. For more specific information on withholding matters, call the IRS or your personal tax advisor.

**Non-resident Alien – Special Instructions for Form W-4**

Form W-4 is used by NRA employees to claim the personal exemption associated with U.S. Federal tax withholdings, but not to claim a tax treaty exemption.

IRS has provided special instructions for Nonresident alien employees to use when completing the Form W-4. Do not use the Personal Allowances Worksheet (IRS Form W4 - page1) or the Deductions and Adjustments Worksheet (IRS Form W4 - page2). Nonresident alien employees are required by the IRS to use instructions found in Publication 15 – Employer’s Tax Guide (Circular E) – page 15 and also found in IRS Publication 515 - Withholding of Tax on Nonresident Aliens and Foreign Entities. Find these instructions outlined here:

- Box 1 – Full name and address
- Box 2 – Social Security Number
- Box 3 – Request withholding as “single”, regardless of actual marital status
- Box 5 – Total number of Allowance: Claim only “1” allowance (except if from Canada, Mexico, South Korea, or a U.S. National.)
- Line 6 – Additional Amount; Write “Nonresident Alien” or “NRA” above the dotted line. *
- Box 7 – Exemption; Leave Blank (NRA’s are not eligible to claim exemption from income tax withholding).
- Remember to sign and date the form otherwise it cannot be accepted as valid.

6: *Note*: NRA employees are no longer required to request an additional withholding amount, but they can choose to have an additional amount withheld if they desire with an entry in Box 6, instead the calculation for tax withholding excludes the standard deduction value.
Return the completed IRS Form W-4 to the Campus Payroll Office. Upon receipt of the completed form, the Campus Payroll Office will code the change to be effective for the next payroll cycle.

These instructions restrict a non-resident alien’s filing status, generally limit the number of allowable exceptions, and require additional tax to be withheld because a non-resident alien cannot claim the standard deduction. Additional information is available at the Office of International Students and Scholars Web Page - http://www.unh.edu/oiss/.

Student and Business Apprentices from India

Students and business apprentices who are eligible for the benefit of Article 21(2) of the United States-India Income Tax Treaty can claim additional withholding allowances on Line 5 for the standard deduction and their spouses. They can claim an additional withholding allowance for each dependent not admitted to the United States on F-2, J-2, or M-2 visas. They do not have to request additional withholding on Line 6.

YOUTH EMPLOYMENT

Listed below are some quick and easy rules to keep in mind when hiring youth at UNH. Youth Employment Certificates are obtained from the youth’s school system. For the complete Chapter, visit the State of New Hampshire web pages at http://www.labor.state.nh.us/:

- No one under the age of 14 may be hired under any circumstances
- No one under the age of 16 may be hired without prior approval of Human Resources
- Youths 14 and 15 years old must provide a youth employment certificate signed by the parent or legal guardian
- Youths 16 and 17 years old must provide the "State of New Hampshire Proof of Permission for the Employment of a Youth age 16 or 17 form" permitting employment.

NAME AND/OR HOME ADDRESS CHANGES

If an employee changes their name or moves during the year, a Change of Name and/or Permanent Mailing Address form needs to be completed and returned to Human Resources. It is important that this form be completed at the time of the move. Do not wait until telephone directory time or the end of the year. This will ensure that we have the appropriate information on file.

CAMPUSS ADDRESS CHANGES

It is important that Human Resources be notified when an entire department moves to a different location on campus. This enables us to update each person’s personnel record so that pay checks/stubs and other campus mail will be forwarded to the correct location. We need a list of everyone in the department, their USNH ID number, building name and code for their new location.
