

PrOVES 2008 Updates!

We are getting very excited to have you join us on campus for PrOVES so soon! The service sites for this year are all set and include: The Homemakers Health Services, Riverside Rest Home, Great Bay Discovery Center, Dover Housing Authority Seymour Osman Community Center, Seacoast Science Center and Strawberry Banke. In addition to many other entertaining activities, we also have planned for you a leadership development day, an open mic coffee house, as well as an evening cruise through Portsmouth Harbor.

A reminder of some important details:

Move-In is on **Sunday, August 24th** from **12-1:30 p.m. at Stoke Hall**.

Click here to access a campus map: <http://www.unh.edu/map/>

And for directions to campus: <http://www.unh.edu/transportation/visitor/directions.htm>

We will direct you to parking on Aug. 24.

On Tuesday, August 26th, we will help you move out of Stoke Hall and into your fall assigned rooms. If it is possible, we would strongly encourage you to bring the majority of your belongings for the official 2008 Wildcat Days Move-In Day, occurring Saturday, August 30th, and just bring to PrOVES what you would need for a summer week of volunteer work and fun. You will be working outside, rain or shine, so you should at least include on your packing list: **closed-toe shoes**, clothes for wet weather, cold nights and warm days, long pants, and a bathing suit.

If on Sunday, August 24th you are bringing all of your fall belongings, then please make sure you organize them so that you need only unpack what you will use for Sunday – Tuesday. We will help you move everything on Tuesday.

It is extremely helpful for **everyone** to come with labels on **all** of your belongings so that nothing gets lost! Clearly print your name on the labels, as well as your fall assigned dormitory and room number.

Although we understand that you may want your friends and family to visit you during this week, unfortunately our program leaves no time for this to occur. We ask that all family and friends wait to visit until Saturday, August 30th.

Again, we hope you share our excitement and anticipation for PrOVES. And keep in mind, the friends you will make during PrOVES will last a very long time!

All the best,

Sarah Spates

PrOVES Coordinator
